Vision Jet Experience Packages

If you have ever wondered what it's like to be a jet pilot, Aero Atlanta can help you realize your dreams in a very big way. Get ready for the experience of a lifetime as you strap yourself into the left seat of the world's only single engine personal jet - the Cirrus Vision Jet. Fire up the Williams FJ33-5A engine under the guidance of our Vision Jet experience director and prepare to soar up to FL280 and cruise along at 300 knots on your way to your favorite destination. As with all Cirrus aircraft, you will also enjoy peace of mind that only the Cirrus Airframe Parachute System (CAPS) can provide as you fly the only personal jet in the world with a parachute.
